Our club meeting this month will be on Thursday, March 18, at McGraths downtown. Guests are welcome. Our speaker will be Cindy Ford, the tower chief at Salem tower. We will start at 6:30 p.m. Please RSVP to Joan via aircraftclubs.com.

Spring is almost here with the promise of good flying weather ahead. Time to start venturing out for those \$100 Hamburgers. Here are a few short hops to good restaurants:

Starduster Cafe on the Independence Airport. Just a 15 minute hop. They serve breakfast, lunch & dinner 7 days a week...and kids eat free for breakfast and lunch on weekends.

Lum Yuen's Chinese restaurant on the Albany Airport. Follow the taxiway south to the restaurant.

Evergreen Aviation & Space Museum, Cosmos Cafe. Open 11-3 daily. Land at McMinnville and call for a shuttle ride to the museum. Visit the museums & take in an IMAX movie.

Air Base Cafe in Tillamook. Open 9-4 daily. Have lunch and enjoy The Tillamook Air Museum.

Siletz Bay Airport (S45)...Right across Hwy 101 from the airport is the Side Door Cafe, or walk about a mile north along the highway to Salishan Lodge, or give them a call and they'll pick you up. Both are excellent restaurants.

Hopefully this isn't too late, but here are a couple of aviation events that you may want to attend :

AOPA/ASF Safety Seminar: "10 Things Other Pilots do Wrong"

Tuesday March 9 from 7-9 pm Holiday Inn – Portland Airport, 8439 NE Columbia Blvd.

Willamette Air at the Aurora Airport is holding their "2nd Saturday Seminar" Mar 13, 11a-1pm: "This month we are going to review the 1977 Tenerife runway disaster. We will delve into the cockpit management, runway incursion and other elements that lead to the collision of two 747s. We will see how this applies to our flying today."
