McNary Field, SLE

Valley Flyers,

Summer is finally here, and with it comes Bug season. Please be courteous to the pilots following you and debug the airplanes after you fly. (That is Pledge for the leading edges and Plexus for the windows)

A special WELCOME to Jacob Pratt, our newest member. Jacob is a newly licensed pilot and John Pratt's son. We are so glad you both came to join in the fun.

Hot August Flights will be on Saturday, August 7th. Portions of the proceeds from the fly-in/drive-in breakfast will help support our local Civil Air Patrol squadron, and it will be a great day to visit the Salem Airport and see local aircraft, autos & support our local aviation businesses. This year's event will include a Jet Car Display, Kids Activities and an Outdoor BBQ; Should be a great place to come and spend the day.

Twin Oaks pancake breakfast August 7

The Arlington Fly-in and Sport Aviation Convention, July 7-11 at Arlington, WA
This is a 4-day event featuring lots of airshow activity, antiques etc, For more information go to <http://www.arlingtonflyin.org/?menu=home>

The Mulino Blueberry Pancake Breakfast, Sat. & Sun. July 17 & 18

Sunriver Airport Wings & Wheels on July 24.

Oshkosh, WI – July 26-August 1...(Let Joan know if you're going)

This is a great time to get night current for some of those beautiful night flights or an evening at the Lebanon races and a nice night flight home.
