

Valley Flyers

June 2012

Welcome to Summer? The weather has given many members the opportunity to evaluate conditions, practice cross wind landing and enjoy some hangar flying at the Flight Deck. Before you know it we will be discussing bugs and density altitude concerns....we hope.

Our next gathering will be June 23, Saturday, 1pm. This is our annual potluck, BBQ and Strawberry Shortcake feed. We will have the BBQ hot and ready to go at 1pm at the 36H hangar. Bring something for the BBQ and a salad or side dish. We will supply the delicious Oregon Strawberry Shortcake and whip cream. Come and enjoy. Friends and family are welcome.

Welcome to our newest members: Roar Berg-Johanson a seasoned pilot who had not flown in recent years and Murat Saylik a new student looking forward to the joys of being a pilot. We're happy to have you join us.

There are a number of events over the 4th of July at surrounding airports if you want to explore and the delicious Twin Oaks pancake breakfast on July 7. Who wants to go? Send an email from the aircraft clubs site and let's make it a party.

A special "THANKS" to David Pobuda, John Hardin and Joan Johnson who washed 515ED and 70574. That is above and beyond the call. You guys ROCK.

Are you night current? Need a club review? Need a BFR? Need some cross wind practice? Call one of our qualified instructors and make it happen...Stay Safe.
