

# *Valley Flyers*

September, 2012

The great weather has continued, and the use of the aircraft reflects this. It's wonderful to see so many folks flying! There are a couple of FAA seminars coming up nearby this month –

At Independence Airport on Thursday, Sept 13 at 7PM: “Using an iPad for aviation”. see [http://www.faasafety.gov/SPANS/event\\_details.aspx?eid=46031&caller=/SPANS/events/EventList.aspx](http://www.faasafety.gov/SPANS/event_details.aspx?eid=46031&caller=/SPANS/events/EventList.aspx) for further information and on-line registration. Or call Debra Plymate at 503-428-7210

Also at Pearson Field on Saturday Sept 15 at 9AM: “How NOT to ruin your weekend” – a seminar on threat and error management. [http://www.faasafety.gov/SPANS/event\\_details.aspx?eid=45955&caller=/SPANS/events/EventList.aspx](http://www.faasafety.gov/SPANS/event_details.aspx?eid=45955&caller=/SPANS/events/EventList.aspx) is the link for more information and registration, or call Theresa Nelson at 360-334-1044. This program counts as a WINGS seminar, and for those who have not signed up for the WINGS program, please check it out at [www.faasafety.gov](http://www.faasafety.gov). This is a great resource for safety and proficiency training.

We all want to welcome our newest student pilot, Tom Davies. He is training in 382 primarily. David Pobuda has successfully completed his check ride for his private pilot license. Way to go! Alan Lasneski had soloed in the Cherokee. In case you haven't met Alan he is the one with the “I soloed” smile. We welcome another new member: Quinn Stuttheit. Quinn is a member of the Salem PD who is also a helicopter pilot, and a member of the Civil Air Patrol.

We'll have a club meeting in October after the back-to-school dust settles. Date and place will be emailed in advance.

Finally a gentle reminder - when making a reservation on Aircraftclubs.com, please include two pieces of information: your destination and your travel phone number. The destination is needed as part of our insurance process, and the phone number in case someone needs to contact you about the flight. Thanks!
